## Scholarship Announcement and Application

Applications Accepted from January 1, 2010 - September 17, 2010

Children and youth in homeless situations face numerous barriers to educational success. Deep poverty, high mobility, and school requirements often make attending and succeeding in school a challenge. Despite these challenges, many students who experience homelessness not only graduate from high school, but wish to pursue a college education.

**What is the LeTendre Education Fund?** The National Association for the Education of Homeless Children and Youth provides scholarship assistance to students who are homeless or have experienced homelessness through the LeTendre Education Fund for Homeless Children, established in 1998 in memory of André E. LeTendre, husband of Mary Jean LeTendre, former Director of Compensatory Education for the U.S. Department of Education.

**Who was André LeTendre?** During his lifetime, André LeTendre was a teacher, debate coach, radio announcer, public relations specialist, director of human resources, a Congressional staff member, and a White House staffer. André was a friend and mentor to many young people and was especially committed to helping children in homeless situations. In the spirit of André's desire to help children in homeless situations, the LeTendre Education Fund supports their efforts to pursue higher education.

**Who administers the LeTendre Education Fund?** The LeTendre Fund is administered by the National Association for the Education of Homeless Children and Youth.

**Who selects the recipients?** A national advisory board including local, state, and national educators, as well as family, friends, and associates of the late André LeTendre, reviews the applications and makes the selection.

**How many scholarships are awarded?** There will be a minimum of two \$1,500 scholarships awarded annually. The scholarship is a one-time award. Additional financial support may be available for scholars in subsequent years.

**How may the LeTendre Education Fund scholarship be used?** Upon submission of evidence that you have enrolled in a post secondary program, the scholarship will be provided and may be used to help defray the costs of college tuition, fees, books, prep courses, or other educational expenses.

## LeTendre Education Fund 2010 Scholarship Application

**How many scholarships have been awarded in the past?** To date, the Fund has awarded scholarships to more than 180 recipients.

**When will the 2010 scholarships be awarded?** The scholarships will be awarded on Sunday, November 7, 2010 at the National Association for the Education of Homeless Children and Youth conference in Houston, Texas.

**Who is eligible for the scholarship?** The scholarship funds are available to students who are homeless or who have been homeless during their school attendance, and who have demonstrated average or higher than average achievement.

According to federal law, a person is considered homeless who “lacks a fixed, regular, and adequate night-time residence.” This includes people living in shelters, cars, motels, campgrounds, or places not meant for human habitation, as well as children and youth who are living with friends or relatives temporarily because they lack permanent housing.

Students who have not reached their 21<sup>st</sup> birthday by September 1, 2010, and who have completed no more than one year of college are eligible to apply. Applicants may be high school seniors, students enrolled in a GED or other alternative education program, or recent graduates/GED recipients. If you are in high school and not yet enrolled in a post secondary program, the committee will hold your scholarship for you pending your enrollment.
